Favourite Student Features in D2L Brightspace

Brightspace Pulse is our free mobile app designed for students to empower them to control their schedule, get personalized push notifications, access courses (and pin for easier access), and retrieve complete course descriptions, information, and activities from their phone including content offline.

Features:

- Students can control their schedule
- Receive personalized push notifications
- Access courses (and pin for easier access)
- Retrieve complete course descriptions, information, and activities from their phone including content offline.

Work to do Widget

The Work To Do widget provides students with a summary of assigned learning activities from all their courses that are overdue or have an upcoming due date.

Features:

- Can be added to Brightspace homepages to show due and overdue activities across all or individual courses.
- Displays activities with due/end dates (e.g., Assignments, Quizzes, Discussions) due in the next 2 weeks and overdue from the past 12 weeks (adjustable up to 52 weeks).
- Provides direct links to each activity, allowing students to quickly access and complete their tasks.

The screenshot shows the D2L Brightspace homepage. At the top, there's a navigation bar with the D2L logo, user name 'CJ Briggs', and various icons. Below the navigation bar is a banner image with the text 'Welcome to Brightspace!'. The main content area is divided into two columns. The left column, titled 'My Courses', shows a grid of course cards: 'Sample Course' (Fall 2022), 'Intro to Business (C)', 'Human Anatomy and Physiology', and 'Student Lounge'. The right column, titled 'Work To Do', shows a list of overdue activities: 'Fiction Quiz' (Due Jul 7), 'Knowledge Check: Unit 1' (Due Jul 21), 'Week 1 Quiz' (Due Jul 21), 'Write Your First Review' (Due Jul 27), 'Assignment Proposal' (Due Jul 28), and 'Week 2 Quiz' (Due Jul 28). A 'View All Work' link is at the bottom of the 'Work To Do' section.

This screenshot shows a different view of the D2L Brightspace homepage. The banner image is different, showing a group of students. The 'Work To Do' widget is expanded, showing a list of activities: 'Write Your First Review' (Due May 17), 'Business Plan' (Due May 28), and 'Write Your Second Review' (Due May 31). The 'My Courses' section at the bottom shows tabs for 'All', 'Pinned', 'Spring Semester', and 'Dev'.

D2L

Progress Bar

When a student returns to a course, the Content Progress area on the course homepage, makes it easy for students to pick up where they left off, understand what they have completed, and determine what they have left to do.

Features:

- The Content tool provides easy navigation with arrows and a Table of Contents.
- Visual progress indicators show completed and remaining content, activities, and assessments.
- A centralized “to do” list helps students track their progress across modules.
- The Work To Do widget complements this by showing due and overdue tasks with direct links.
- Both tools support personalized learning paths by making progress and next steps clear and accessible.

The screenshot displays the D2L Brightspace course homepage for 'Ethics & Artificial Intelligence'. The interface includes a top navigation bar with the course title and user profile (Christian Pantel). Below this, a secondary navigation bar lists various course tools: Content, Classlist, Discussions, Assignments, Quizzes, Grades, Class Progress, and Course Admin. The main content area is divided into several sections. On the left, there's a sidebar with '0% Standards' and a '+ New Unit' button. The central area shows a 'Content Progress' section for 'Intro to Business', which includes a 'Table of Contents' and a 'Visual Table of Contents Widget'. The 'Table of Contents' lists various topics and their completion status, such as 'Welcome!' (100% completed), 'Unit 1: Architectural Concepts' (50% completed), and 'Unit 2: Building Design' (0% completed). The 'Visual Table of Contents Widget' provides a visual representation of these progress bars. On the right, there's a 'Work To Do' section with a 'Due' date of Jul 31, 2023, and a 'Time Spent' of 0d 0h 6m. The bottom right corner features a 'Feedback' section with a prompt to reflect on the course and provide feedback.

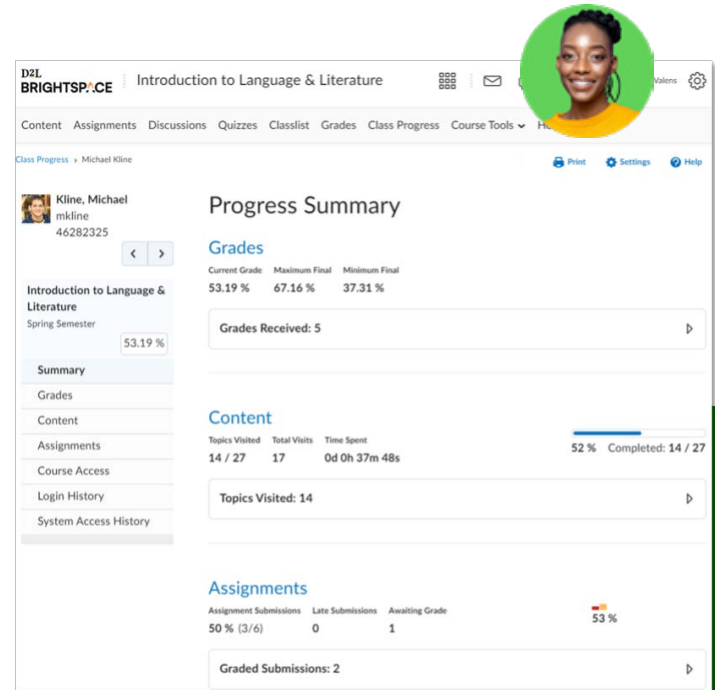

Student Analytics Dashboards

The User Progress Dashboard helps students gain perspective with an all-in-one view of how they are doing in a course. The

USER PROGRESS | PROGRESS SUMMARY

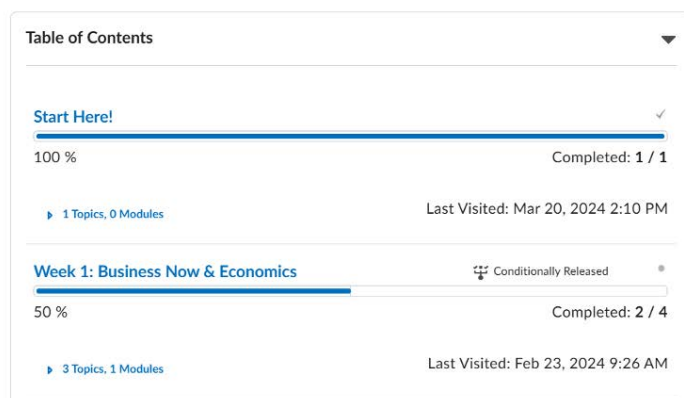

Features:

- Students can track their course progress and grades to make informed decisions and take ownership of their learning.
- The User Progress tool provides quick insights into individual usage patterns and engagement.
- The Progress Summary includes current grades along with potential maximum and minimum final grades for better goal setting.

Content Progress

Topics Visited: 4 / 21, Total Visits: 6, Time Spent: 0d 0h 6m 11s, 14% Completed: 3 / 21

USER PROGRESS
